SUPPLEMENTARY INFORMATION: The Central Intelligence Agency Information Review Committee was established pursuant to the Freedom of Information Act and Section 7(B)(2) of Executive Order 11652. The Committee is composed of senior officers and is headed by a Chairman who is appointed by the Director of Central Intelligence. The Committee may, by majority vote, delegate to one or more of its members the authority to act on any appeal and may authorize the chairman to delegate such authority. With the merger of the Directorate of Intelligence with the office of the Deputy to the Director of Central Intelligence for National Intelligence Officers, there was established the National Foreign Assessment Center. Therefore, it is proposed that the Deputy Director of the National Foreign Assessment Center become a member of the Central Intelligence Agency Information Review Committee; representation on the Central Intelligence Agency Information Review Committee by the Deputy Director for Intelligence and the Deputy to the Director of Central Intelligence for National Intelligence Officers would be discontinued.

In consideration of the foregoing, it is proposed to amend 32 CFR Part 1900 as follows:

In Section 1900.51, paragraph (a) is amended by revising the second sentence to read as follows:

"The Committee shall be composed of the Deputy Director for Administration, the Deputy Director for Operations, the Deputy Director for Science and Technology, the Deputy to the Director of Central Intelligence for the Intelligence Community and the Deputy Director of the National Foreign Assessment Center."

This amendment is proposed under the authority of Section 102 of the National Security Act of 1947, as amended (50 U.S.C. 403), the Central Intelligence Agency Act of 1949, as amended (50 U.S.C. 403a et seq.), Executive Order 11652, as amended (3 CFR revised as of January 1, 1974, p. 339), the Freedom of Information Act, as amended (5 U.S.C. 552), and the Federal Records Management Amendments of 1976 (Sec. 4, Pub. Notice of Proposed Rulemaking

The Central Intelligence Agency is considering amending its rules and regulations for access to records under the Freedom of Information Act. With the merger of the Directorate of Intelligence with the office of the Deputy to the Director of Central Intelligence for National Intelligence Officers, there was established the National Foreign Assessment Center (NFAC). Therefore, it is proposed that the Deputy Director of NFAC become a member of the Central Intelligence Agency Information Review Committee (CIA/IRC); representation on the CIA/IRC by the Deputy Director for Intelligence and the Deputy to the Director of Central Intelligence for National Intelligence Officers would be discontinued.

Interested persons are invited to participate in the making of the proposed rule by submitting such written data, views, or comments as they may desire to: Chief, Information and Privacy Staff, Central

Intelligence Agency, Washington, D.C. 20505. All communications received on or before December 30, 1977, will be considered by CIA before taking action on the proposed rule; in the absence of any negative comments, this rule will become effective on December 30, 1977.

This amendment is proposed under the authority of Section 102 of the National Security Act of 1947, as amended (50 U.S.C. 403), the Central Intelligence Agency Act of 1949, as amended (50 U.S.C. 403a et seq.), Executive Order 11652, as amended (3 CFR revised as of January 1, 1974, p. 339), the Freedom of Information Act, as amended (5 U.S.C. 552), and the Federal Records Management Amendments of 1976 (Sec. 4, Pub. L. 94-575, 90 Stat. 2723).

In consideration of the foregoing, it is proposed to amend 32 CFR Part 1900 as follows:

In Section 1900.51 paragraph (a) is amended by removing the titles of the Deputy Director for Intelligence and the Deputy to the Director of Central Intelligence for National Intelligence Officers, and by adding the title of the Deputy Director of the National Foreign Assessment Center.

MEMORANDUM FOR: Chief, Information Systems Analysis Staff

STATINTL THROUGH :
Assistant for Information, DDA

STATINTL FROM :
Chief, Information and Privacy Staff

SUBJECT : Amendment of CIA's Rules and Regulations
Pursuant to the Freedom of Information Act

1. Attached are two items of correspondence for forwarding to the Federal Register. They are necessary in order to have Dr. Sayre Stevens, Deputy Director of the National Foreign Assessment Center, continue his membership on the CIA Information Review Committee in his new position. This is being done at the request of Mr. Blake and Mr. Bowie.

2. You will notice that the Privacy Act is also a point of the request. However, since the rules and regulations for this Act do not spell out deputy directors by name or title, sufficient descriptive data appear to exist for Dr. Stevens to continue as an appeals official in his new position.

3. Again, the aspect of Executive Order 11652 is addressed in the Freedom of Information Act Rules and Regulations. Therefore, the attached correspondence for the Federal Register will be applicable in Executive Order 11652 appeals.

4. Please note the effective date of December 30, 1977, cited in the preamble to the Federal Register. You may wish to change this depending on when you are able to forward the appropriate correspondence to the Federal Register, and their publishing schedule.
